***Analysis by the Legislative Reference Bureau***

The bill prohibits the Board of Regents of the University of Wisconsin System from charging resident undergraduate academic fees in the 2024-25 academic year that are more than the fees charged in the 2023-24 academic year—this is commonly referred to as a “tuition freeze.” The freeze is funded by increasing the appropriation to the UW System for general program operations by \$38,000,000 in fiscal year 2024-25.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
