Analysis by the Legislative Reference Bureau

Under current law, certain vehicles operated on the highway are not required to be registered with the Department of Transportation. These vehicles include vehicles owned by the federal government, certain vehicles used for agricultural purposes, road machinery, vehicles while being towed, and certain vehicles operated to or from a vehicle inspection site.

This bill creates a vehicle registration exemption for a motor vehicle held by a garagekeeper that is traveling to or from the garagekeeper's repair facility while being operated for purposes of repair, service, or testing.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

5 **SECTION 1.** 341.01 (2) (a) of the statutes is renumbered 341.01 (2) (am).
